THIS IS WHO WE ARE

Born from the necessity to bridge the gap between rapidly evolving technology and the specific needs of Philippine businesses, **Maptech Information Solutions Inc**. emerged on February 7th, 2022. Though a relatively young company, our foundation is built on a deep understanding of the local market and a relentless pursuit of technological excellence.

We are a forward-thinking IT reseller, dedicated to providing innovative solutions that empower businesses to thrive in the digital age. Our team of experienced professionals possesses a wealth of knowledge across a broad spectrum of IT domains, enabling us to deliver tailored solutions that address the unique challenges and opportunities faced by our clients.

COMPANY MISSION

To empower Philippine businesses with cutting-edge IT solutions, driving growth and success in the dynamic digital landscape.

COMPANY VISION

To be the leading and most trusted IT reseller in the Philippines, recognized for innovation, excellence, and unwavering commitment to client success.

MAPTECH SOLUTIONS

Our Maptech solutions provide comprehensive support tailored to your business needs, encompassing robust cybersecurity, I.T Peripherals, and proactive data center infrastructure. We specialize in optimizing operational efficiency through strategic technology implementation, ensuring seamless connectivity, data security, and reliable performance, allowing you to focus on core business objectives.

CYBER SECURITY
We don't just sell security; we deliver peace of mind, one impenetrable layer at a time.

DATA CENTER INFRASTRUCTURE
Prepare to transform raw data into a strategic advantage, and redefine what's possible with our data infrastructure.

I.T. PERIPHERALS
We don't just equip your workspace; we empower your performance.

COMPUTING DEVICES
We don't just sell computers; we deliver the tools to transform your ambitions into reality.

STRONG REPUTATION ON DELIVERING EXCELLENCE

That's who Maptech Information Solutions Inc is.

CYBER SECURITY

In a world where digital threats evolve at breakneck speed, our cybersecurity products stand as an impenetrable shield. We don't just react; we anticipate. Our suite of cutting-edge solutions delivers proactive threat intelligence, AI-powered intrusion detection, and ironclad data encryption, fortifying your digital assets against even the most sophisticated attacks. We empower you to navigate the digital landscape with unwavering confidence, knowing your critical infrastructure is defended by the most advanced, relentlessly vigilant security on the market. We don't just sell security; we deliver peace of mind, one impenetrable layer at a time.
